European Fuel Cells and Hydrogen

PIERO LUNGI CONFERENCE 2021

SPONSORSHIP & Opportunities

EFC21 Sponsorship & Opportunities

EFC21 offers prime opportunities to everyone interested in getting in touch with major fuel cell industries along with academic institutions, research centers and decision makers.

To achieve this aim we created a wide range of tailored sponsorship packages and opportunities to allow you to choose the one that better fits to your company's goals and marketing strategies.

All sponsorship packages ensure both on-site and pre/post-event brand promotion.

Each package includes the following basic features:

- **A logo placed on EFC21 home page/website**
- **Corporate logo & Color advertising in Official Conference Final Programme**
- **Corporate logo, profile & link on Conference Proceedings**

Bronze Opportunities Package

A way to promote your company at EFC21 conjugating cost-effectiveness and good benefits

- A logo placed on EFC21 home page/website
- Corporate logo & ¼ page color advertising in Official Conference Final Program
- Corporate logo, profile & link on Conference Proceedings (distributed to all attendees)
- N°2 conference registrations

The cost of the **Bronze Opportunities Package** amounts to

€ 2.500 + 22%VAT

Silver Opportunities Package

An excellent package which provides you several tools to promote your company and reach potential customers

- A banner placed on EFC21 home page/website
- Corporate logo & ½ page color advertising and 200-word company's profile in Official Conference Final Program
- Corporate logo, profile & link on Conference Proceedings (distributed to all attendees)
- N°2 conference registrations
